Procedure 65 and the Lanham Act (15 U.S.C. § 1051 et seq.), for the reason that Defendants are manufacturing, importing, exporting, distributing, marketing, advertising, offering for sale and/or selling goods bearing counterfeit reproductions of Plaintiffs' federally registered trademarks, trade names, and/or logos as set forth in Plaintiffs' Complaint in this action (collectively, "**Plaintiffs' Marks**"), which are owned and controlled by Plaintiffs;

WHEREAS having reviewed Plaintiffs' Complaint, Memorandum of Law, and supporting declarations the Court signed an order on January 15, 2021, restraining Defendants from, *inter alia*, manufacturing, distributing, delivering, shipping, importing, exporting, advertising, marketing, promoting, selling or offering for sale Counterfeit Products or any other products confusingly similar to Plaintiffs' Products, or any other products that otherwise bear, contain, display, or utilize any of Plaintiffs' Marks, any derivation or colorable imitation thereof, or any mark confusingly similar thereto or likely to dilute or detract from the Plaintiffs' Marks (the "**Temporary Restraining Order**"); and further ordered Defendants to appear before this Court on January 25, 2021, to show cause why an order granting Plaintiffs a preliminary injunction should not be granted;

WHEREAS, Plaintiffs filed Certificates of Service on January 20, 2021 and January 24, 2021 demonstrating that Defendants were served via email with the Temporary Restraining Order, Summons, and Complaint, and all attachments thereto on January 18, 2021 in accordance with the alternative service provisions contained in the Temporary Restraining Order;

WHEREAS, Defendants failed to submit any papers opposing entry of the Preliminary Injunction, and failed to appear before the Court on January 25, 2021 or otherwise appear in this action; and

WHEREAS, Plaintiffs submitted an additional declaration in support of their motion for a Preliminary Injunction identifying additional names, email addresses and financial information belonging to Defendants which was obtained through the third party discovery provisions set forth in the Temporary Restraining Order;

WHEREAS, on January 26, 2021 the Court entered a Preliminary Injunction and on January 29, 2021 the Preliminary Injunction was posted to the public docket;

WHEREAS, Plaintiffs filed a Certificate of Service on February 5, 2021 demonstrating that Defendants were served via email with the Preliminary Injunction and all attachments thereto in accordance with the alternative services provision contained in the Preliminary Injunction;

WHEREAS, Plaintiffs submitted an additional declaration in support of their motion for an Amended Preliminary Injunction identifying additional financial information belonging to Defendants which was obtained through the third party discovery provisions set forth in the Temporary Restraining Order and the Preliminary Injunction;

WHEREAS, on February 9, 2021 the Court entered an Amended Preliminary Injunction and on February 12, 2021 the Amended Preliminary Injunction was posted to the public docket;

WHEREAS, Plaintiffs filed a Certificate of Service on February 19, 2021 demonstrating that Defendants were served via email with the Amended Preliminary Injunction and all attachments thereto in accordance with the alternative services provision contained in the Amended Preliminary Injunction;

WHEREAS, Defendants failed to appear and object to the Amended Preliminary Injunction;

WHEREAS, Plaintiffs submitted additional declarations in support of their motion for a Second Amended Preliminary Injunction providing evidence that Defendants have violated this Court's Temporary Restraining Order and Preliminary Injunctions by continuing to advertise, offer for sale, and sell Counterfeit Products through various additional websites ("**Newly Identified Infringing Websites**") and are using hundreds of social media accounts ("**Newly Identified Infringing Social Media**") together with Newly Identified Infringing Websites, the "**Newly Identified Infringing Platforms**") and new email addresses ("**Newly Identified Email Addresses**") and in connection therewith;

WHEREAS, the Amended Preliminary Injunction authorized Plaintiffs, upon showing that Defendants are continuing to sell Counterfeit Products on Newly Identified Domains, may ask the Court extend their relief granted therein to any such websites;

WHEREAS, through Plaintiffs' investigation and documents produced pursuant to third party discovery, Plaintiffs have identified the true names of certain Defendants previously identified in the Court's prior orders and the Complaint only as "John Does" or "ABC Companies" ("**Newly Identified Defendants**"), as well as financial accounts associated with these Newly Identified Defendants and previously-identified Defendants ("**Newly Identified Financial Accounts**");

WHEREAS, the Court previously concluded that Plaintiffs were entitled to injunctive relief based on Plaintiffs' demonstration, *inter alia*, (1) they are likely to succeed on the merits of their claims; (2) they are suffering irreparable injury and, in the absence of an injunction, will continue to suffer irreparable injury, based on Defendants' unauthorized use and infringement of Plaintiffs' Marks in connection with the manufacture, importation, exportation, distribution, marketing, advertising, offer for sale and/or sale of various products, including but not limited to

footwear, clothing, and accessories for men, women and children (the “**Counterfeit Products**”); (3) remedies at law, such as money damages, are inadequate to compensate for Plaintiffs’ injuries; (4) a freeze of Defendants’ assets is necessary to preserve Plaintiffs’ right to an equitable accounting (5) the balance of hardships favors Plaintiffs; and (6) granting Plaintiffs’ request for injunctive relief would serve the public interest;

The Court now finds the following:

a. Plaintiffs have established that they are entitled to injunctive relief by demonstrating that (1) they are likely to succeed on the merits of their claims; (2) they are suffering irreparable injury and, in the absence of an injunction, will continue to suffer irreparable injury, based on Defendants’ unauthorized use and infringement of Plaintiffs’ Marks in connection with the manufacture, importation, exportation, distribution, marketing, advertising, offer for sale and/or sale of Counterfeit Products; (3) remedies at law, such as money damages, are inadequate to compensate for Plaintiffs’ injuries; (4) a freeze of Defendants’ assets is necessary to preserve Plaintiffs’ right to an equitable accounting (5) the balance of hardships favors Plaintiffs; and (6) granting Plaintiffs’ request for injunctive relief would serve the public interest;

b. Plaintiffs have demonstrated that they are likely to succeed in showing that the Plaintiffs’ Marks are valid and enforceable, and entitled to protection, and that Defendants’ willful and unlawful use of the Plaintiffs’ Marks in connection with the sale of Counterfeit Products is likely to cause consumer confusion;

c. Plaintiffs have demonstrated that they are likely to succeed in showing that Defendants have used and are continuing to use counterfeits or infringements of the Plaintiffs’

Marks in connection with the manufacture, exportation, importation, distribution, marketing, advertising, offer for sale and/or sale of Counterfeit Products;

d. Plaintiffs have demonstrated that they are likely to succeed in showing that Defendants, whose known websites, social media accounts, email addresses, alias names, including any Chinese character alias names, and entities identified as members of the 42 networks of defendants as set forth in Attachment 1 hereto, and incorporated as if set forth expressly herein, are, or were within the last twelve (12) months, using the names as set forth in Attachment 2 hereto, and incorporated as if set forth expressly herein selling Counterfeit Products through the use of hundreds of previously identified websites and Newly Identified Infringing Websites (the “**Infringing Websites**”) and hundreds of previously identified associated social media accounts and Newly Identified Infringing Social Media (the “**Infringing Social Media**” together with Infringing Websites, the “**Infringing Platforms**”), including, without limitation, the websites detected to date by Plaintiffs, which are or were located at the websites set forth in Attachment 3 hereto, and incorporated as if set forth expressly herein, the social media accounts detected to date by Plaintiffs, which are or were located at the social media accounts set forth in Attachment 4 hereto, and incorporated as if set forth expressly herein, and the email addresses detected to date by Plaintiffs, which are set forth in Attachment 7 hereto, and incorporated as if set forth expressly herein;

e. Plaintiffs have demonstrated that they are likely to succeed in showing that Defendants have registered and are continuing to register domain names that are identical to, or confusingly similar to, one or more of the Plaintiffs’ Marks (collectively, the “**Infringing Domain Names**”), in violation of the Anticybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d), including, without limitation, the Infringing Domain Names detected to date by the

Plaintiffs, which are set forth in Attachment 5 hereto, and incorporated as if set forth expressly herein;

f. Plaintiffs have demonstrated that they are likely to succeed in showing that Defendants have a bad faith intent to profit by associating themselves with Plaintiffs and the Plaintiffs' Marks without Plaintiffs' authorization;

g. Plaintiffs have demonstrated that Defendants continue to violate this Court's Orders and have gone to great lengths to conceal themselves and their ill-gotten proceeds from Plaintiffs and this Court's detection, including by providing intentionally-deceptive contact information and using multiple false identities and addresses associated with their operations;

h. Plaintiffs have demonstrated that Defendants, or other persons acting in concert with Defendants, would likely destroy, move, hide, or otherwise make the Counterfeit Products, Defendants' means of selling and distributing the Counterfeit Products, financial accounts used in connection with the sale of Counterfeit Products, records relating to the ultimate disposition of Defendants' ill-gotten proceeds, and business records relating thereto, inaccessible to Plaintiffs or the Court if Plaintiffs were to proceed on notice to the Defendants, thus frustrating the ultimate relief that Plaintiffs seek in this action;

i. Plaintiffs have demonstrated that the harm to Plaintiffs from denial of the requested Second Amended Preliminary Injunction outweighs the harm to Defendants' legitimate interests against granting such an order;

j. Plaintiffs have demonstrated that the entry of an order other than the Second Amended Preliminary Injunction would not adequately achieve the purposes of the Lanham Act to preserve Plaintiffs' remedies for trademark counterfeiting, including, *inter alia*, the cessation of all sales of the Counterfeit Products, the acquisition of the business records relating to the

Counterfeit Products, and Plaintiffs' rights to an equitable accounting of Defendants' profits, lost profits, or damages.

k. Plaintiffs have provided adequate security for the payment of such damages as any person may be entitled to recover as a result of a wrongful restraint hereunder, by posting a \$50,000 bond in accordance with the Temporary Restraining Order;

Accordingly, this Court finds that entry of the Second Amended Preliminary Injunction is necessary and appropriate.

THEREFORE, IT IS HEREBY ORDERED that:

1. Defendants, their officers, directors, agents, employees, representatives, successors or assigns, and all persons acting in concert or in participation with any of them from are restrained and enjoined from:
 - a. using Plaintiffs' Marks, or any reproduction, counterfeit, copy, or colorable imitation of Plaintiffs' Marks, or any mark confusingly similar thereto or likely to dilute or detract from the Plaintiffs' Marks, in connection with manufacturing, distributing, delivering, shipping, importing, exporting, advertising, marketing, promoting, selling or offering for sale Counterfeit Products or any other products confusingly similar to Plaintiffs' Products, or that otherwise bear, contain, display, or utilize any of the Plaintiffs' Marks;
